Good size, long head, but the skull is not flat enough, strong muzzle, good colour of eyes but could be more oval, good teeth, too short upper arm and therefor not enough forchest. God depth of chest, good topline, croup and hindquarter. Coat medium harsh but a little short. In movement very loose in elbows.

Good size, but looks like a very young puppy, medium long head, skull a little round, nice eyes and expression, good teeth. I would prefer a little more angulation in front and more forchest. Good topline, croup. Rather much angulation behind, very good coat. Needs time to develop in body. Stepping in front movement.
